Full touch controls

The light can be switched on or off by pressing any point of the surface of the keys. After being pressed, the keys return to their original position, perfectly aligned.

One single shape with
increased space for the functions

2 COLOURS FOR THE DEVICES

The devices feature an aesthetic component, the covers, available in two different colours: white and black. Satin finish surface: for a pleasant feel.

COMBINATION WITH THE COVER PLATES

The Living Now cover plate range includes 11 finishes, purposely selected for use with the device covers, and made of different materials: techno polymer, metal and wood.
